

Sea Kayaking Float Plan

What happens if you don't return from a day trip or overnight within a reasonable period? Nothing, unless you let someone know the details of your trip and tell that person how to secure help.

Complete this float plan and give a copy to a trustworthy individual. Place a second copy on the dashboard of the vehicle you leave at the launch site. File a plan for every trip, no matter the length.

For each person in group, fill out the following (use back of sheet if necessary):

Name	Age	Paddling Exp.	Kayak Type	Kayak Color	PFD Color	Medical Info
